

FLAWLESS FINISH & FINE FABRIC

How You Can Keep Them That Way!

Your new vehicle looks
beautiful, inside and out.

To help retain it's value, and to
maintain that "showroom shine,"
you'll want the TST Protection

Plan for the exterior and interior.

TST 3000

PLUS!

PAINT & FABRIC PROTECTION

TST 3000 Plus Paint Sealant

TST 3000 Plus Pre-Reacted Paint Sealant with Extended Warranty Coverage

Enhance, Brighten and Protect all Painted Surfaces.

The unique TST 3000 Plus pre-reacted formula actually brightens the color and deepens the gloss of today's expensive finishes. It gives your finish a richer, deeper shine than ordinary waxes and paint sealants, while offering, a higher level of superior protection against:

- Detergents
- Sun and Road Salt
- Dirt, Mud and Snow
- Industrial Pollutants

Tough Screen Fabric Protection

For the Fine Fabric

- Tough Screen™ shields fabrics from oil, grease, dirt and food stains
- Simple soap and water cleanup
- Liquids simply "bead up" and oil and grease can be wiped away with ease
- Dirt lifts off with a vacuum, leaving no residue behind
- Tough Screen™ not only keeps your interior looking terrific, but can actually increase life of carpets and fabrics in high wear conditions

The Best way to make your vehicle look it's best...
...and stay it's best!
